

CCOC Custom & Classic Car Show

The Best of the Best

The May 2009 car show was one of most successful ever. In 2008, CCOC had close to 150 cars on display—and in 2009, 256 cars! More than 600 meals were sold and they actually ran out of food. According to CCOC Auto Body Repair instructor and event organizer, **Robert McTaggart**, approximately 1,000 people attended the car show. Spectators voted on what their favorites were for best car, best motorcycle, best bike and the best paint in the show.

The total profit was nearly \$4,000 for SkillsUSA and Robert did an excellent job organizing this year's event. There were many volunteers setting up for the event including CCOC staff and SkillsUSA students. Also, several students brought in their own cars that they had worked on while attending CCOC.

Students and staff from other CCOC programs set-up displays showcasing some of the many programs available at CCOC. The Culinary Arts and Baking and Catering programs assisted with the cooking and feeding of those in attendance.

The following link is to an excellent 2-minute video that El Observador reporter **Oswaldo Castillo Jr.** made at the car show: <http://autos.smashits.com/video/IDu3tb626YQ/ccoc-car-show.html>. View last year's promotional video on Youtube, Car Show at CCOC, San Jose, CA.

The May 14, 2010 car show is just around the corner and sponsors are needed to make the event even more successful this year. Donations may be made to the CCOC Skills USA Club or through the MetroED Foundation. The Foundation is a 501 (c)(3) non-profit organization. Contributions are tax deductible and the tax ID number is 77-0320022. Please specify the donation is for the CCOC Skills USA Club and car show. For more information contact Robert McTaggart at (408)723-6563 or mtaggart@metroed.net. Your tax-deductible donation may be sent to:
